

# Business Development Manager

- Superstars Only
- \$80 to 300k

Don't even call unless you are an over-achiever and can prove it. Come build an empire within our fine, progressive company. Regal IT is in the IT consulting, systems integration industry but we don't hire on backgrounds. We hire top producers. If you are average you can earn \$80k with us. If you are a star you can earn \$300k plus.

Young or old, if you have the stuff we'll know.

**Contact us at (02) 8303 2700 and ask for Mark.**
